## **WisDOT to hold construction information meeting for WIS 76 work in Outagamie County**

*Construction begins in mid-March with closure and detour of highway*

Greenville, WI – The Wisconsin Department of Transportation (WisDOT) Northeast Region announces a construction information meeting at 5 p.m., Monday, March 2, 2026, to discuss the upcoming reconstruction project on WIS 76 from Everglade Road to County JJ in the village of Greenville and town of Ellington, Outagamie County.

### **WIS 76 Construction Information Meeting**

- When: 5 p.m., Monday, March 2, 2026
- Where: Village of Greenville Hall, W6860 Parkview Dr., Greenville, WI 54942

The purpose of the meeting is to provide details on the project schedule, operations, and traffic impacts, including vehicular and pedestrian access during construction. WisDOT representatives will be available to answer questions and address concerns following a brief presentation.

### **Project Overview**

This approximately 1.5-mile reconstruction project aims to improve safety, operations, and accessibility for vehicles, bicycles, and pedestrians in response to area development. Key improvements include converting the rural roadway to an urban section with curb and gutter, constructing a new roundabout at the WIS 76/County JJ intersection, adding pedestrian accommodations (5-foot sidewalks with 6-foot terraces on both sides of WIS 76 from Everglade Road to Hummock Road and 5-foot sidewalks with 6-foot terraces on the east side from Hummock Road to County JJ), reducing the speed limit from 45 mph to 35 mph, new lighting,

signing and pavement marking, stormwater enhancements (including improvements at Glen Valley pond and a new pond near Hillview Drive), and new storm sewer.

### **Construction Schedule and Traffic Impacts**

Construction is tentatively scheduled to begin Monday, March 9, 2026. WIS 76 between Everglade Road and County JJ will close to through traffic starting March 9 for roadway reconstruction, with detours in place. A second closure and detour will follow the first.

- Stage 1 (WIS 76 Everglade Road to County JJ reconstruction): Detour via WIS 15 to County JJ to WIS 76.
- Stage 2 (WIS 76/County JJ roundabout construction): Detour via WIS 15 to County JJ to County M to County S to WIS 76.
- Access to properties and businesses within the work zone will be always maintained.
- Temporary business signing will be available during construction to help direct customers to businesses.

### **More information**

This project has a dedicated 511 Wisconsin project website at the below URL:

- <https://projects.511wi.gov/wis76cirshioc/>

The project will also be featured in the Northeast Region's weekly highway construction updates:

- <https://projects.511wi.gov/weeklyupdates-ne/>

We look forward to your attendance on March 2 to discuss this important safety and mobility improvement project
