

Bi-Weekly Construction Update: May 31st to June 14th

All road closures and work operations are weather dependent and subject to change.

WIS 89 is closed at the intersection of WIS 89/County TV and at Mud Creek which is between Sun Prairie Road and York Town Road until the end of June. Posted detour via WIS 19 and WIS 73 is in place.

- Crews performed the following work:
 - Finished placing base aggregate and asphalt paving at the new intersection of STH 89 and CTH TV and at the box culvert location.
 - Installed various culvert items north of WIS 89 and County TV.
 - Continued milling asphalt and mainline paving under flagging operations starting at the south limits working north.
 - Started to install gravel shoulders working south to north.
- Upcoming work (weather permitting):
 - Restore topsoil areas within the intersection of WIS 89 and County TV.
 - Finish milling asphalt and mainline paving under flagging operations starting at the south limits working north.
 - Finish shouldering aggregate.
 - Install permanent pavement marking, beam guard and signs.
